

**PEARL BEACH BOWLERS COMMEMORATE A FRIEND**

The Pearl Beach Bowlers paid tribute to their fellow bowler John Greenway who tragically died earlier this year as the result of a cycling accident. John was a keen sportsman, an enthusiastic bowler, a great team player and skilled wood designer and craftsman who could put his hand to making just about anything.

In honour of him the score board (which he made) is now named '**The John Greenway Scoreboard**' which was unveiled on Friday 12<sup>th</sup> July by Marijke Greenway his wife of 51 years. This was followed by a lunch to commemorate his great contribution to the bowls team.
